Mr. Herbert E. Meyer

Dear Herb:

I thought you would like to know I put your book to good use.

A fellow from 3M [redacted] and [redacted] came to visit a few days ago. Their interest was business intelligence. I was as helpful as I could be.

Meanwhile, DDCI Gates sent me a copy of your book. I found your book to be a terrific start for both Bill and [redacted] So I sent them a copy.

If you would like to hear more about this heroic saga, I would be willing to consider a change in my pathetic habits and have a sandwich with you someday soon.

Sincerely,
